Nexus Golf Resort Karambunai

WORLD CLASS DESTINATION RESORTS

Nexus Golf Karambunai is one of the premier golf courses on the island of Borneo, specifically in Kota Kinabalu, Sabah. It is located within walking distance from Nexus Resort & Spa Karambunai. Designed by the world-renowned American golf course architect, Ronald Fream, Nexus Golf Karambunai is an international championship par 72, 18-hole golf course.

It has established itself as one of the most popular golf courses in Sabah for its unique location and design which offers golfers a challenging and enjoyable experience. Nestled between the million-year-old rainforest and the South China Sea, golfers can enjoy the breathtaking views of Mount Kinabalu and the white sandy beach of Karambunai. The tract's key characteristics are its undulating fairways and its well-contoured greens across a series of small lakes, waterways, and hillocks — ingeniously crafted to add to its varying degree of difficulty.
